## Page Corner Bookmark Template Instructions

I have included two templates. One is blank for students who need less guidance and the other template has numbers and text to help you as you guide students to create the bookmark. I have included two page corner bookmarks per page.

Copy as many page corner bookmark templates as needed.

Step 1: Cut along the dotted edges.

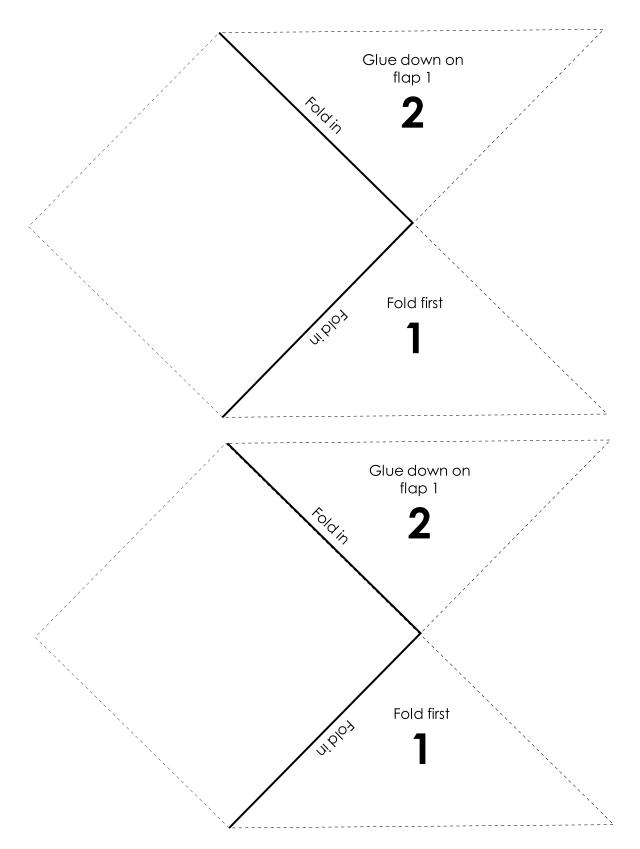

**Step 2:** Fold flap 1 in until the tip of the triangle is even with the opposite corner of the square.

Step 3: Place a dot of glue on flap 2.

**Step 4:** Fold flap 2 over flap 1 and hold firmly in place until the flaps stick together, again, matching the tip of the triangle to the opposite corner of the square.
